

EMT-Intermediate Program ***Orientation***

WHEN: Monday - May 18th 1230-1430 or 1830-2030
Thursday- May 28th 1230-1430 or 1830-2030

WHERE: PSB/Hampton Room 3rd floor

WHAT: EMT-Intermediate Program
2015-2016 Academic Year (September-August)

HOW: Call Liz Hughes 410-887-7523 (pre-register)

This program is a comprehensive 600 hr. program that meets the 1999 DOT/NHTSA guidelines for EMT-Intermediate. It will lead to MIEMSS licensure as an EMT-I. This will require mandated attendance at 2-3 weekdays "mirrored" sessions as well as some weekend dates over the 12 months of the program. In addition, there will be clinical assignments at facilities and on ALS units.

This orientation session will provide ALL of the information including needed prerequisites, on line access, security clearance and other critical direction that will be essential to program completion. Attendance at the orientation DOES NOT guarantee program admission. It is to provide information and level of commitment for interested personnel and to explain the selection process for admission.

*Please contact Lieutenant Len Stewart or PM Corrine McNutt for further information.
